MFA Director for North America Maria Eugenia Chiozza told Econoff during the evening of September 8 that Foreign Minister Garcia Belaunde, head of delegation to UNGA, would not be able to attend Ref B meeting on the President's Initiative on Natural Resources. Chiozza reported that the FM was scheduled for a meeting of regional organizations on security at 10:00 am, the same time as the President's meeting. She said that the FM was interested in sharing Peru's experiences and would be happy to attend the President's meeting but for the schedule conflict. Garcia Belaunde will be in New York for all of September 20, starting with a 7:45 breakfast meeting.
